¹APY = Annual Percentage Yield. APY subject to change at any time. APY assumes compounding of dividends. Early withdrawals are subject to a penalty and will reduce APY.

²APR= Annual Percentage Rate. All loans are subject to credit approval and are granted based on individual creditworthiness, the ability to repay and credit score. Rates shown may not apply to every borrower. Rates quoted are subject to change. Quoted rates for Auto, Motorcycle, Boats/RVs, Fixed Rate Home Equity Loans, Home Improvement, and Land Loans assume borrower will meet all requirements of the .50% Automatic Transfer Loan Rate Discount Program. Program requires a checking account with direct deposit and automatic loan payment transfers for the borrower's account. Quoted rates may not apply to refinances of existing Dover FCU loans.

³6-Month term not available on IRA Certificates.

³New Autos are the three most recent model years.

⁴Used Autos are model years 2016 through 2022.

⁵Home Equity Lines of Credit are variable-rate loans and may adjust monthly with the Prime rate as published in The Wall Street Journal. At no time will the APR go below the floor during the term of the stated loan.

⁶APR is over current share or share certificate rate.
