The News Journal Names Dover Federal Credit Union A Winner Of The Delaware Top Workplaces 2025 Award

Dover Federal Credit Union has been awarded a Top Workplaces 2025 honor by Delaware Top Workplaces 2025. This list is based solely on employee feedback gathered through a third-party survey administered by employee engagement technology partner Energage LLC. The confidential survey uniquely measures the employee experience and its component themes, including employees feeling Respected & Supported, Enabled to Grow, and Empowered to Execute, to name a few.

“Earning a Top Workplaces award is a badge of honor for companies, especially because it comes authentically from their employees,” said Eric Rubino, Energage CEO. “That’s something to be proud of. In today’s market, leaders must ensure they’re allowing employees to have a voice and be heard. That’s paramount. Top Workplaces do this, and it pays dividends.”

Dover Federal Credit Union CEO & President, Janell Upton considers this award a reflection of Dover Federal Credit Union’s commitment to the team and a workplace culture that is intentional in our strategic planning. “One of the most distinguished honors we can receive as an employer is to be named a TOP WORKPLACE. Knowing that the recognition is received by an anonymous survey our team completes, ensures me that our efforts to make our workplace environment the best it can be is working. We’ve put focused effort into creating a culture that provides professional growth and development opportunities and utilizes a collaborative methodology to develop and design enhancements and efficiencies. Our team goes above and beyond daily and I could not be more honored to lead such an amazing group of individuals.”
